Great casual game
It is updating now so I will review later.
I am very pleased with the game. The graphics are very good for alternatives. Even though I play the regular version I would be happy to play this.

App Privacy

The developer, Marmalade Game Studio, has indicated that the app does not collect or share user data with third parties. For more information, see the developer's privacy policy.

Data Collection and Use

1.5.1

26 Sept 2024

Greetings, Globetrotters!

We've released a brand-new look for the map selection screen. You can now see a much more detailed preview of each map before you select it, along with a sleek navigation bar to pick which game mode you'd like to play.

We've also deployed fixes to improve overall performance and reduce crash frequency [more](#)
